CUE CRC

Hello Cue,

October was a quiet month for the Cue CRC. We had about 200 tourists visit the CRC, many of whom also visited the CHC.

Department of Transport visited us on Monday the 2nd of October with several customer using their services. DOT have also decided to do an extra visit on Wednesday the 1st of November and they will be at the CRC all day.

Regional Alliance West visited Cue on the 18th October, unfortunately their services weren't used by anyone this time.

Coral from Westcoast Seafood is coming through Cue every month now, she visited Cue on the 31st of October. Her next visit is on the 28th November—this will be the last visit for the year.

The CRC did a Halloween activity for the kids this year. We put together some Halloween lolly bags for the kids and handed them out after school on 31st October.

We have had quiet a few people come in and use the guest computers. This is a free service that the CRC provides its customers.

For November the CRC is putting on some entertainment at the Murchison Club Hotel on the 11th, solo performer named Ashley Friesen.

Julie Humphreys
Manager

CHC NEWS

The word Circa comes from Latin and means 'around, about, roughly, approximately' and is abbreviated as C. Circa is widely used in historical writing when the dates of events are not accurately known. For example, "circa 1900" means around the year 1900 without specifying the exact year. The CHC uses C1900 in its descriptions of items.

The CHC has had quite a few items donated recently from people who have visited and decided they could do with a clean out at home. Most items have come from Perth, some locally and some from outlying WA towns. Surprisingly, a few small items have arrived in the mail from other Australian states which is a mark of how well the CHC is being received.

Local items include a Meekatharra number plate (MK 718) and an antique brass and wood surveyor's tripod with a central plumbob. This tripod is C1880-1900 and both of these items were donated by JC from the Shire Works office. The dumpy level that goes on top is missing so that is an item we are looking for to complete the tool.

We also have an antique galvanised steel and wood extension leg tripod. This is C1900-1930. It is a camera tripod and we are on the lookout for antique cameras such as the ones pictured below to complete the display.

Thank you to all who have donated items. It is greatly appreciated and is contributing to the development of the Heritage Centre.

REMEMBRANCE DAY

NOV 11

2023

LET US NOT FORGET

A short Remembrance Day Service will be held at
A.S. Gurney Memorial Park,
Austin St, Cue
commencing at 10.45am

About Remembrance Day

On the 11th hour on the 11th day of the 11th month, a minute's silence is observed and dedicated to those soldiers who died fighting to protect the nation.

At 11am on 11 November 1918, the guns on the Western Front fell silent after more than four years of continuous warfare. The Germans called for an armistice (suspension of fighting) in order to secure a peace settlement. They accepted the allied terms of unconditional surrender.

The conflict had mobilised over 70 million people, left between 9 and 13 million dead, and as many as one third of these with no grave.

The 11th hour of the 11th day of the 11th month attained a special significance in the post-war years. It became universally associated with the remembrance of those who had died in the war.

Originally known as Armistice Day, it was renamed Remembrance Day after World War Two to commemorate those who were killed in both World Wars.

Today the loss of Australian lives from all wars and conflicts is commemorated on Remembrance Day.

We will remember them.

Lest we forget

FROM THE CEO

This month saw the retirement of Shire President Ross Pigdon. Ross chaired his last Council meeting on 17 October before stepping down from the role and Council. A dinner was held after the Council meeting to thank Ross for his dedication to the community over the past eight years. At the Special Meeting on 24 October 2023, new Councillor Neil Montgomery was sworn in along with returning Councillors Les Price, Ron Hogben and Leonie Fitzpatrick. Councillor Les Price has been elected the new Shire President.

The Shire will be holding an auction at the Cue Shire Hall on Wednesday 06 December 2023 at 12.00pm, for the sale of properties with three years or more outstanding rates in accordance with *section 6.64 of the Local Government Act 1995*. Further details are available on the Shire notice boards.

Thank you to Phil and Cheryl for their donation of time to the Feed it Forward cause that saw a donation of food distributed throughout the region and town.

A full-scale Aerodrome emergency exercise was conducted on 09 October 2023. This exercise was facilitated by Aerodrome Management Services. All our local emergency services including Westgold's Emergency Response Team attended along with a representative from National Jet Express and Penjet. We were able to secure use of the Dash 8 Q400 aircraft to enable us to simulate this exercise. A big thank you to everyone involved.

I attended the opening of the new visitor hub at Wooleen station. The opening was well attended with the building being officially opened by Regional Development Minister Don Punch and supported by grant funding through the Mid West Development Commissions' Regional Economic Development Grant program.

The owners of Wooleen Station have relocated and refurbished a 100-year-old shearer's shed kitchen and have transformed it into a reception, café and art studio. Originally situated 7km from the homestead, it's relocation to the entry of Wooleen Station provides another great stopping place and attraction in the Murchison.

The Shire of Cue had a Tesla electric vehicle on trial in Cue for a couple of days in early October. The Electric Vehicle Tour, a joint initiative between WALGA, Horizon Power, Energy Policy WA, and MoJo Car Share provided a Tesla Model Y electric vehicle which was made available for Mid-West Shire's. A number of people got to have their first drive of an electric vehicle and were impressed with the capabilities and new technology.

It's that time of the year again!!! The Christmas Light Competition is open for 2023. Please see details in this edition of the Dryblower. Remember to fill in your registration and return to the Shire Admin Office to be eligible for prizes.

Preparations are underway for Australia Day 2024, and it is looking to be another spectacular event with live music and fireworks. We were successful in obtaining grant funding again this year through National Australia Day Council. More details will be provided closer to the event.

WA Seniors Week runs from 12 to 19 November to recognise the important role that seniors play in our community and acknowledge the contributions of older Western Australians. On Monday 13 November we will celebrate Seniors Week with a morning tea at the Queen of the Murchison from 10.00 to 11.00am. Bookings are appreciated for catering purposes by contacting Tracy at the Shire office. Please let us know if you require assistance to attend the event.

On Wednesday 25 October 2023, the Shire Youth Program held a "Taste of Mexico" at the Railway Station precinct. This event was to introduce different foods and culture. We had a slippery slide consisting of tomatoes to emulate "La Tomatina" and I was subjected to tomatoes being dumped over me. All the children and staff had a great time. Thank you to the Shire staff and volunteers for organising this event.

The Murdoch University Vet Program was held on Friday 27 October at the Shire Hall. Students from the university provided free pet checks and sterilisation under the guidance of a senior vet. Other services available included microchipping and vaccination. Around twenty-five animals were seen on the day and the program was again a great success. Thank you to Peter Smith from Canine Control for organising this again and ensuring everything ran smoothly on the day.

The Shire working in conjunction with the Department of Fire and Emergency Services will be undertaking fire break works around Cue town site. Owners and occupiers of land are reminded of their obligations to clear and maintain fire breaks over the summer months. The summer months are also a time of storms and cyclones. Residents are also reminded to clean up and remove any unwanted or loose items from their property that could cause damage in a storm. Larger items can be collected by contacting the Manager of Works and Services to make arrangements.

CEO REPORT cont.

Dog owners are reminded of their obligations to keep their dogs contained within the boundaries of their property or on a leash while walking. Please be considerate of others as it can be quite confronting to be approached by an unknown dog while out walking. The Shire Ranger visits the area frequently and will take action against unrestrained dogs in public places. This may result in a financial penalty to the owner. The only authorised area within the townsite where dogs are permitted to be exercised off-leash is the town oval. It is your responsibility to control and look after your pets.

Mosquito fogging operations are being undertaken when weather conditions allow. Residents are asked to check their properties and remove any potential mosquito breeding areas, by emptying containers holding water, ensuring gutters are not holding water and checking yards for areas that hold water.

As a reminder, there are still a number of Shire roads waiting for repair works to commence. Road users are asked to take care when travelling, particularly at flood crossings. Please drive to the road conditions and observe any traffic directions. Road Condition Reports are available on the Shire of Cue's website, the Public Notice board and on our Facebook page.

We ask everyone to be vigilant as the warmer weather brings out the snakes in and around town, which means they are out of hibernation and active again. Please use caution when out walking. Keeping grass short and cleaning up around the yard will help to keep them away.

Upcoming events:

- Monday 13 November – WA Seniors morning tea
- Saturday 11 November - Remembrance Day
- Saturday 9 December – Town Christmas Function

Richard Towell
Chief Executive Officer, Shire of Cue

Next Ordinary Council meeting – 6.00pm Tuesday 21 November 2023

Taste of Mexico day

I would like to thank Meerilinga Young Children's Community Foundation and Western Independent Foods for their donations and grant. Your generosity made the day a resounding success. Also many thanks to everyone who came down for the afternoon. It turned out to be a fantastic event

FREE DRIVING LESSONS

Want to learn to drive? need a to reach your log book hours?

Yulella has a qualified driving instructor who can teach you how do drive and reach your log book hours.

For anybody aged 16+

Manual or Auto

We can also assist with ID, Learners, and theory practice!

**MEEKATHARRA
MT MAGNET

Westgold Resources and Yulella Employment Information Forums

Westgold Resources and Yulella recently teamed up to deliver Employment Information Forums in Meekatharra and Cue to provide job seekers with the information they need to get a start in the mining industry.

What do you need to get a job with Westgold?

- You'll need an up-to date resume with all the right contact details included.
- We like people to have a Manual C Class Driver's Licence.
- A National Police Check that's less than 12 months old.
- You must be able to pass a medical assessment and drug and alcohol screening.
- If you need assistance with any of the above, you can contact Yulella, and they can help you. Even with getting a driver's licence.

Yulella Aboriginal Corporation offers a four-step Westgold ready pre-employment support program that you can complete prior to applying for a role with Westgold. This will ensure that you have ticked all the boxes and have met all the employment criteria.

Call (08) 9980 1339 and speak with your Yulella Case Manager or email caseload1@yulella.org.au to arrange an appointment.

CUE SCHOOL

RESILIENCE: RESPECT: RESPONSIBILITY

Our second week of the term saw us have a morning assembly with an awesome bacon and breakfast for students and parents.

Merit award winners were...

Room 1

Respect: Isla
Resilience: Michelle
Responsibility: Tyanna

Room 2

Respect: Kam
Resilience: JC
Responsibility: Kelia

More than 93% Attendance (State Average)

Kamryn, Reuben & James

After our assembly, our students joined in the Suicide Memorial Walk around town. We stopped at the Blue Tree on Austin St before heading to the town hall for lunch and education session on mental health.

We couldn't help but stop for a play in the water park and playground on such a beautiful Cue day.

Exciting News!!! We are in a competition with the other Murchison schools for a rather spectacular literacy cup. The Cup will be awarded in Week 8 of this term to the school that earns the most Literacy badges. These are earned for student achievement in areas of reading and writing. The real purpose of the competition is to encourage students across the Murchison to acquire solid literacy skills. Good literacy is one of the main missions and points of going to school. Please praise up your children if they come home with a badge.

We finished our book week with a spooky disco that was greatly enjoyed by all. During the week we have been reading age-appropriate spooky stories and they were so excited. We had a great turn out of children and parents and Mr M showed off his 'Dad' dancing skills to all.

Country Stargazing

Here Comes Astrofest!

with Carol Redford and Donna Vanzetti, Astrotourism WA

November has a bumper line-up of fabulous stargazing treats and the big-ticket item is this year's WA Astrofest! Held on Saturday 18th November, this free and family friendly event will have dozens of big telescopes to look through, astronomy talks, children's space activities, astrophotography and much more to overload your cosmic senses! [For more information](#)

For early risers, dazzling Venus will make a close approach to the lovely thin slither of the Moon on November 10th. The best time to see this stunning duo is one hour before sunrise, looking low towards the east.

Adding to this month's stellar diary, stargazers will be treated to a special display from the Leonids Meteor Shower. The Leonids meteor shower is generated from comet Tempel-Tuttle. The shower peaks on the night of the 17th/18th of November but can be viewed several days either side of the peak. The best views will be under dark skies, after midnight.

This shower emanates from the constellation Leo, which is visible just about everywhere on Earth. For those in northern WA, Orion will be higher in the sky, and may produce clearer meteors.

When to look: From midnight to early morning, 17th/18th November.

Which direction to look: Toward the northern horizon

Meteor showers happen when our planet Earth crosses the orbital path of a comet. As comets pass by the sun, the extreme temperatures heat up some of the nucleus and cause debris particles to spread out along the comet's orbit creating a comet tail. As Earth passes through this debris cloud, we have the opportunity of viewing the fiery spectacle of a meteor shower.

Enjoy the views and happy stargazing.

For more stargazing tips, visit www.astrotourismwa.com.au.

POLICE BEAT

Hello Cue

It's been a while since I got on here for a chat. It's been a bit busy with the odd job here and there and also supporting our neighboring towns on occasion. If you try to call us and we don't answer, we've either been working shifts or are out of town. Either way, the phone will divert to Geraldton or Perth and they can get a message to us.

Unfortunately, we have a few people in town at the moment who don't care that you work hard to enjoy your own things and are happy to help themselves to your property. If that means entering your house or business when you're not home or even when you're in another room, that's what they do and your cash or valuables are gone.

Can I ask that everyone pays special attention to locking their cars, their houses and businesses in an effort to keep those people out.

It is a priority for us to recover your property and deal with the offenders according to law. The key thing here is 'according to law' and we are limited in the way we can deal with certain members of the community but we do our best.

It won't be long until the Xmas holidays so start making plans to ensure the house is locked up, all the windows are bolted and doors deadlocked.

Regards

Mark, Pete and Joe.

FREE Plumbing Service

Do you have a sneaky leak, dripping tap or toilet you've been meaning to get fixed?

A running tap can use up to 10 litres per minute, while a constant trickle in the toilet bowl wastes 9,000 litres of water a year! It's crucial to reach out to a plumber to ensure you have a water-efficient home.

The Water Corporation are currently offering Cue residents a FREE Plumbing Service from a licensed plumber, including fixing minor leaks on taps, toilets and showers.

To apply for a FREE plumbing service visit: www.watercorporation.com.au/plumbingservice

Terms & Conditions apply. Offer available until 31st May 2024

place. 9963 8600

FREE

**MONDAY 13
NOVEMBER
2023**

QUEEN OF THE MURCHSION

10AM - 11 AM

Support After Suicide

Who do we help?

We support anyone who has been bereaved or impacted by suicide including:

- individuals, families, friends, witnesses
- schools, workplaces and community groups
- first responders and service providers

To find your local **StandBy** site
please use our website

www.standbysupport.com.au

**Many people are impacted by each
suicide death including family
members, close friends, kinship groups,
colleagues and whole communities.**
