From the CRC

I've been trying for a couple of weeks to write this article, but everything I write seems to come out wrong.

But here it goes anyway: Hello, my name is Julie Humphreys, I've taken over from Ruth as the new Cue CRC manager.

My background is in management, but in a fast food restaurant, so working for a not for profit organisation is coming as a huge change for me...hopefully I'm up to the task.

I do have a lot of ideas—whether they will take off or be good ideas is another story entirely.

To me the Cue Community Resource Centre is just that—a place for the community— the name says it all!

I hope to get a few community projects that I've got in mind off the ground and I welcome ideas and help from anyone.

I also want to thank everyone that has congratulated me on getting the position. The offers of help have been numerous, and I'll probably take each and everyone of you up on your offers, so I hope you meant it.

The content of this editorial does in no way reflect the views or opinions of the Shire of Cue, its councillors or any of its staff. Responsibility for the information and views expressed in this editorial lies entirely with the author.

MAY 2019

LETTERS TO THE EDITOR

Photo - View from the Water Tank Lookout.

To The Editor Of The Dryblower

Cue Residents - you should be proud of your town! it has been 2 years since my last visit to your beautiful town and i was amazed to see all the improvements made since that time. The transit stop area is a stunning asset to your town and will be much appreciated by travellers and tourists. This facility successfully provides an attractive stopping area while at the same time interpreting the towns past and highlighting the local places of interest to visit. The Design and landscaping is outstanding and a credit to all involved. i was also very impressed with the Cue Community Resource Centre located within the restored Old Post Office.

How wonderful the see this historical building revitalised and utilised for such a great purpose. Elsewhere in town i was really impressed with how Brockman Park has matured - what a delightful oasis! And how about the lovely Cafe in the Queen of The Murchison? Now i am looking forward to returning to Cue in the near future to see the progress on the restoration of the Cue Railway Station as well as the Cue Heritage Discovery Centre.

Keep up the great work Cue!
Tanya Henkel

From the desk of the CEO

The next meeting of Cue Parliament will be held on Friday 3 May. Members of the Murchison Zone of the WA Local Government Association will gather to discuss topics relevant to the Murchison region and Local Government generally. A number of prominent State Government representatives are expected to attend.

Council has authorised the Shire President, Deputy Shire President and Chief Executive Officer to travel to Canberra in June to attend the Australian Local Government Association National General Assembly. The trip schedule includes attendance at the following:

- National Local Government Association Regional Forum;
- National Local Government Association Convention;
- Scheduled meetings with Government Departments; and
- Scheduled meetings with Federal Ministers at Parliament House facilitated through the office of the Federal Member for Durack. The Shire delegation will be supporting the Murchison Zone of WALGA in raising matters of regional importance, but will also pursue matters relevant solely to the Shire of Cue.

The WA Local Government Grants Commission will be visiting Cue on 8 May 2019 to conduct a public hearing at 3:00pm, chaired by Cr Paul Omodei. The Commission advises that they view the hearing as “a chance for attendees to gain a better understanding of the methodology used to calculate one of the largest revenue streams for local government”. As part of the hearings, the Commission has invited the Shire to make a short presentation highlighting the major challenges we face and any projects that are happening in our district. This information is expected to provide context and assist the Commission to better understand our local government and local government within Western Australia more generally.

The issue of wandering dogs in town continues to be a concern. Dog owners are reminded of their obligations to keep their dogs contained within the boundaries of their property or on a leash while walking. The Shire Ranger visits the area frequently and will take action to seize dogs that are found wandering in the street. This may result in a financial penalty to the owner and potential destruction of offending animals.

WANDRRA (WA Natural Disaster Relief & Recovery Arrangements) funded works on Beebyn-Karbar Road are now complete and the road has been reopened to traffic. Construction works are now underway on Cue-Wondinong Road.

Upcoming events:

Barefoot Bowls (date tba) – Nominations now open for second round.

Cue Parliament – Friday, 3 May.

WA Grants Commission public hearing – Wednesday 8 May

Zap Circus Purple People Show – Saturday, 18 May.

Erth Dinosaurs – Thursday, 22 August.

Rob Madson
Chief Executive Officer, Shire of Cue

POLICE BEAT

Traffic

I know I tend to spook on a little about us as local Cops, continually patrolling the Great Northern Highway, both north and south of our town, in search of Speeders and other breaches of road legislation but still, over a crest or around a corner they come by the dozen.

The scenario kind of reminds me of the old arcade games some of us used to play before X-Box and Play Stations became the norm. The speeders are the aliens and they are coming towards us faster and faster while we are frantically shooting our lasers at them. Unfortunately though, just like the game, the more we get, the more that appear and keep coming at us.

For us it is sad that despite all the advertising, people are still flaunting the road laws by speeding. Yes our lives are run at a faster pace these days but our driving standards DON'T have to match that pace. Chuck on your favorite music, enjoy the trip, arrive alive AND all this without receiving unwanted penalties along the way.

I know I sometimes make light of some things on here as I feel life is serious enough without adding to it but Speeding DOES KILL along with FATIGUE. I cannot emphasize this enough.

Just don't speed, take regular breaks from driving and don't be that posthumous WA country road crash statistic.

We DO have a beautiful state so always allow yourself time for your journey, enjoy the drive and the scenery, oh and your music and sing along of course.

Crime

Again we residents of Cue have been very fortunate that crime has not been too much of an issue, of late and that is absolutely fantastic. Well done CUE.

We would like to take this opportunity though, to remind all parents, not to become too complacent with regards your children. As seen time and again, children can be easily led, little lambs that they are and the last thing we need or want is some stray lambs causing damage, graffiti or other issues in town so always try and ensure you know where your kids are and we can all live happily ever after and help keep Cue beautiful.

There are some issues around noisy music creeping back in to the community and again to those who party, please just take a minute to consider your neighbors.

Sound travels great distances in small towns like Cue so be a good community member and turn DOWN that volume dial.

On a downside and a detriment to our community, I just want to make comment about the pattern of rowdy drunkenness, forming at or near the pub and other parts of town, mostly during shift change over/RDO's.

We have been receiving reports of persons being drunk after a session at the pub and staggering around outside and urinating wherever they please and in full view of locals. This behavior is unacceptable and disgusting. Please treat our town like your home away from home and not your

Community Policing

I know I keep on mentioning it and I will continue to do so but please remember and keep an eye out for your families, friends and neighbors and don't be afraid to ask 'R U Ok'. Mental illness can affect anyone at any time, it's not discriminatory, just like cancer or drug dependency.

Social barefoot Bowls went well and it was great to see everyone who attended this Shire run event, enjoying themselves and partaking of a few coldies during the matches. Thanks to Tracy for getting the games organized and stepping in to play when needed.

Needless to say the Cue Police Bowl Team 'BOWL MOVEMENTS' won the inaugural competition....Rob we will graciously accept the 'WINNERS' trophy whenever it suits youJ?

We are once again heading into the tourist/prospecting season here in Cue Shire. Can I please respectfully request that prospectors/tourists leave their exact locations they will be at and expected time/date of return, with friends or family, so God forbid if anything does go wrong, Police and other emergency service operators can locate you more quickly!

Personal Locator Beacons are a great device to have and are helpful for us to locate missing persons when activated and you get yourself into a bit of strife.

I know prospectors don't want to willy-nilly share their search locations especially if they are productive, but please don't tell someone you are at Big Bell old town site prospecting when you are actually at Tuckanarra. That is a lot of red dirt to search and will confuse and prolong any positive search outcome.

A lot of these things are just common sense but sometimes where finding gold is involved, the 'common' is sometimes left behind and replaced with a Mine lab 5000 metal detector.

Furthermore please be mindful of your property, wherever you choose to camp and secure your items as best you can. Make it as hard as possible to deter would be thieves.

On a better note, I must mention the very important ANZAC day dawn service and say a heartfelt thanks to the Shire, Murchison Club Hotel, for the hearty breakfast and the organizers, especially Ross for leading us through the service. Thanks also to Graham for his Bugle skills and the knock on goosebumps effect.

It is always heartwarming to see such good crowds in such a small community. Just shows that Australians do care about the sacrifices made for our country and its people, in order to secure and maintain our freedom and democracy, which we all take for granted on the most part these days but required massive sacrifices of life.

"Lest We Forget".

As usual please stay safe, play safe, drive safe and be a good neighbour.

Quote of the month

"Nothing messes up your Friday like finding out it's only Tuesday."

Senior Constable Martin REID
Cue Police Station.

much for your

Working Together To Save Lives

ANZAC Day 2019

On the 25th of April we commemorated ANZAC day - the 104th anniversary of the landing at Gallipoli.

Over 150 people attended the dawn service, with wreaths lain by Cr Les Price on behalf of the Shire, Hone Loza on behalf of Cue Village and Alan Pratt on behalf of ex-servicemen.

After the moving ceremony conducted by Shire President Ross Pigdon and an emotional playing of the bugle by Graham Morphett, participants were invited to enjoy a cooked breakfast at the Murchison Club Hotel, which as always was very enjoyable.

A big **Thank You** to all who attended and to all who worked to make this years' service happen.

ANZAC Day 2019

 They shall grow not old
 As we that are left grow old,
 Age shall not weary them,
 Nor the years condemn.
 At the going down of the sun
 And in the morning
 We will remember them

Inspirational Mother's Day Story.

A man stopped at a flower shop to order some flowers to be wired to his mother who lived two hundred miles away.

As he got out of his car he noticed a young girl sitting on the curb sobbing. He asked her what was wrong and she replied, "I wanted to buy a red rose for my mother.

But I only have seventy-five cents, and a rose costs two dollars."

The man smiled and said, "Come on in with me. I'll buy you a rose."

He bought the little girl her rose and ordered his own mother's flowers.

As they were leaving he offered the girl a ride home.

She said, "Yes, please! You can take me to my mother."

She directed him to a cemetery, where she placed the rose on a freshly dug grave.

The man returned to the flower shop, canceled the wire order, picked up a bouquet and drove the two hundred miles to his mother's house.

Chocolate Hazelnut Fridge Cake

Ingredients

- 600ml thickened cream
- 1/2 cup chocolate hazelnut spread
- 1/4 cup icing sugar
- 2x 250g packet choc chip cookies
- cocoa, after to serve
- 2 tablespoons roasted - hazelnuts, chopped to serve
- Ferrero Rocher chocolate, to serve
- chocolate sauce to serve.

Method

1. release the base from a 20cm spring form pan. Invert the base and secure it back in the pan. Spray pan lightly with oil and line with baking paper, smoothing out side as much as possible.
2. Use electric beaters to beat the cream, hazelnut spread and icing sugar until firm peaks form. Layer a quarter of the cookies in base of prepared pan (you may need to break a couple to fill the big spaces) spread over a quarter of the cream mixture. Repeat with the remaining cookies and cream mixture, finishing with a cream layer. Smooth the top and cover firmly with plastic wrap. Refrigerate overnight
3. To serve, remove side of cake pan and carefully peel away paper. Slide cake into a serving plate, gently pulling paper out from base as you go. Use a spatula to gently smooth sides.
4. Decorate cake with a dusting of cocoa, the Hazelnuts and chocolates. Drizzle over chocolate sauce.

Chicken and Broccoli Shells & Cheese

Ingredients

- 8 ounces medium shell pasta
- 3 cups broccoli, chopped into florets
- 2 chicken breast, cooked and diced.
- 2 table spoons unsalted butter
- 1/4 cup all-purpose flour
- 1 cup milk
- 1 cup chicken broth
- 1/4 teaspoon garlic powder
- 1/4 teaspoon pepper
- 1/5 teaspoon salt
- 2 cups sharp cheddar cheese, shredded

Method

1. In a large pot of boiling salted water, cook pasta according to package directions. Add broccoli during last 2-3 minutes of cook time.
2. Melt butter in a large skillet over medium heat, add flour and cooking stirring for 1 minute. Slowly whisk in milk and chicken broth and season with garlic powder, salt and pepper. Cook stirring constantly, until mixture is bubbling and thickened. Remove from heat and add cheddar cheese, stir until melted.
3. Add the drained pasta, broccoli and chicken, stir to combine. If sauce becomes too thick, add milk as needed to thin.
