Your local connection

Hi Everyone,

Over the past month I've been attending Barefoot Bowls, now I've gotta say anything that includes exercise of any kind is like a four letter word to me, but I've thoroughly enjoyed going to Bowls. Of course the first time I played I certainly wasn't happy the next morning with sore legs from too much exercise and mountains of mosquito bites. But the fogger has been out, so there should be less mosquitoes around...hopefully. So, anyway if there is anyone umming and ahing about going to Barefoot Bowls...STOP and go. You don't have to bowl, but it's good to get out and see people.

Australia Day was a really good turn out as well, heaps of people attended and had a good time.

I've been working with Angela at Yullela to organise some activities and workshops and we've both come up with some awesome ideas. Most will be starting around March 2020 as we want as many people attending as we can. We're also thinking of doing Twilight Markets on say a Tuesday or Thursday night instead of Sunday Markets. That gives more people time to go.

The Cue CRC would also like to welcome our new Headmaster—Susan and her husband Jeff to town (sorry if I got the spelling wrong).

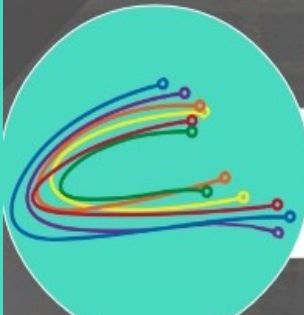

And finally, the Cue CRC now has EFTPOS facilities.

From the CEO

The positive start to 2020 has continued, with news that the Shire of Cue was one of only six successful recipients of funding through the Mid West Development Commission Regional Economic Development grants. The Shire was allocated \$135,000 to assist with the construction of a six-unit building in the light industrial area designed to accommodate businesses providing a range of trades and services supporting the mining sector.

Following widespread damage to roads across several Midwest shires during a rain event in 2019, a natural disaster was declared, triggering the Federal government's Natural Disaster Relief & Recovery Arrangements. The Shire was successful in obtaining grant funds through this program to enable repairs to be done on the following roads:

- Afghan Rock-Coodardy Road
- Beebyn-Karbar Road
- Beringarra-Cue Road
- Big Bell-Coodardy Road
- Big Bell-South Road
- Brega Wells Road
- Cogla Downs-Taincrow Road
- Coodardy-Noondie Road
- Dairy Wells Road
- Dalgara Road
- Inglewood Road
- Kalli Road
- Lakeside Road
- Rifle Range Road
- Scenic Lookout Access Road

At a special meeting of Council held in January, the tender for the provision of road construction plant and operators to undertake repairs to these roads was awarded to Lacy Bros Pty Ltd for an estimated value of \$3,589,425. Works are likely to be in progress for up to eighteen months.

Council also considered a tender for the reseal of town streets at the special meeting, with a tender from Colas being accepted to reseal all town streets in a bituminous micro slurry at an estimated cost of \$341,900.

Reconstruction of a section of Wittenoom Street is continuing, with the aim of eliminating flooding issues in this area during heavy rain. This will be completed prior to the remaining streets being resealed.

As there will be a significant amount of roadworks being undertaken throughout the Shire in the coming year, it is requested that road users remain alert and follow all traffic management signs and instructions to ensure their own safety, as well as that of workers and other road users.

On Sunday, 26th January, the Shire held its Australia Day celebrations. Shire staff and Councillors combined to prepare breakfast for approximately fifty hungry locals, former residents and visitors.

Ratepayers and residents are encouraged to attend the Annual Electors Meeting in the Shire Council Chamber on Tuesday 11 February at 6:30pm, when the 2018/19 annual report will be presented.

Upcoming events:

- Annual Electors Meeting – Tuesday 11 February
- Anzac Day – Saturday 25 April
- Cue Parliament – Friday 1 May
- Yuck Circus – Wednesday 13 May

Rob Madson
Chief Executive Officer, Shire of Cue

Next ordinary Council meeting - 6:30pm Tuesday 18 February 2020

POLICE BEAT

Traffic

G'day one and all and thanks once again for taking the time to read another edition of Police Beat for this month's Dryblower.

I hope this finds the residents of Cue well and surviving the holiday season without going completely bald dealing with the kids 24/7 but never fear a new school term is just around the corner phew!!

Us Cue Cops, as our locals will know, have been out on the road and conducting our usual RBT's and dealing with other road traffic issues.

That nasty fatigue word is creeping in on some road users once again, open road, hot balmy nights, long distances travelled in the one hit are factors in fatigue and it is so preventable but yet such a huge cause of road crashes and fatalities.

Only last week a gentleman was lucky to walk away from a car rollover, with bruises, cuts and soreness, due to him falling asleep at the wheel, whilst driving from South Hedland at night time.

Please, please don't be yet another statistic on our country roads and take regular breaks or pull over on the verge or parking bay for a little power nap. 30 minutes delay could equate to how the rest of your life pans out and well worth the time.

We are still managing to get speeders, easier than catching fish in a barrel because everybody is in so much of a hurry these days and better late than never is what I say so please slow down.

Remember folks Cue Police have the capability to conduct drug wipes on drivers, along with the normal "Go as you blow" breath testing!

Crime

As members of the Cuemunity we are always pleased to see the majority of people doing the right thing and being a good neighbour, however there has been a number of anti-social instances, which have or are being dealt with, so watch out for your mail those of you involved.

Only today at time of writing, a vehicle was believed stolen from the rear of the Queen of the Murchison Hotel sometime over the last 24 hours as I'm writing this column and that stuff just doesn't and shouldn't happen in Cue.

POLICE BEAT

With the influx of unknown elements coming into town, please be mindful of your property and ensure it is all secure. The good old days no longer exist whereby everybody respected everybody else's stuff so make it as hard as you can for would be thieves.

It is very disappointing to see the damage that keeps happening to the water park, this time the CCTV has been damaged. The water park is for the whole community and should be looked after not treated like a target for vandals. As a result of the damage, the water park isn't operating and everyone misses out during the hot times. Just idiotic behavior and unacceptable.

Community Policing

As per normal I want to thank all the locals for their understanding with regards the latest liquor restrictions that would have come and gone by the time of print but unfortunately it is just something Police, in conjunction with Cue Liquor Accord, need to implement in order to try maintain a curb on anti-social behavior that has happened during recent previous funerals.

The funeral itself and the aftermath went without a hitch so a big shout out of thanks to the families and friends who celebrated in a respectful manner.

Thanks also to Helen at The Murchison Club Hotel, for the food that was dropped into the station and for the pub closure albeit for renovations, as this obviously contributed to the good behaviour's reported after the funeral.

Another big thankyou has to go out to Cue Shire, especially Rob and Tracy and all the other persons who helped contribute to keeping the kids and families fed and occupied on the Saturday day and night AND at such short notice too. Well done and a BIG thanks from all of us boy's and girl's in Blue.

Finally Barefoot bowls is back, so dust off those bowls and head to the recreation centre from 7:00pm on a Saturday for a chuck.

Quote of the month

"Life is not a fairytale, if you lose your shoe at midnight, you're drunk."

A/Sergeant Martin REID
Cue Police Station.

Rubbish Collection Tips

WEDNESDAY NIGHT: Rubbish bins out on verge

THURSDAY MORNING (from 6am): Rubbish collected

THURSDAY AFTERNOON: Rubbish bins back inside

Wheels facing **away**
from the roadway

Leave at least **half a metre**
between bins

...and don't overfill

**HON ROBIN SCOTT MLC
OF KALGOORLIE-BOULDER
Member for Mining and Pastoral**

At the age of sixteen Robin Scott came from Scotland with his parents to Western Australia, where he enrolled as an apprentice electrician. Immensely proud of his trade, Robin has worked for more than 30 years as an electrical contractor to the WA mining industry, especially the Goldfields. Flying himself and his staff to electrical contracting assignments, Robin logged 4,000 hours in his Rockwell Commander, the aircraft he now uses to service his constituents in the vast Mining and Pastoral Region.

Robin is an enthusiastic campaigner for job opportunities through creating more apprenticeships for young men and young women. The Federal Government has partially embraced the Pauline Hanson's One Nation Policy of subsidising apprentice wages 75% in the first year, 50% in the second and 25% in the third year.

Robin Scott moved the Disallowance Motion which defeated the Government's attempt to increase the Gold Royalty by 50%. Robin is determined to protect and promote mining and led the defence against water charges for prospectors and small miners.

Robin's priorities for 2019 include:

- Water pipeline south from the Kimberley
- Supply good clean water for all regional people
- Reopen the Department of Mines Industry Regulation Safety Office in Norseman
- Sealing the Wiluna-Meekatharra Road
- Insist on rapid delivery of the promised MRI machine for Kalgoorlie
- Big upgrade for palliative care in the regions
- Aged care facility for Leonora
- New hospital for Laverton
- New hospital for Meekatharra
- Ensure the Nursing posts are manned by more than one nurse and are secure and safe for staff
- Abolish fringe benefit tax to encourage FIFO workers to live locally
- Speed up dog fencing and increase the number of professional doggers
- More jobs through quicker approvals for mines

30 January 2020

It was truly Australia Day. The most Australian thing was happening right on the highway outside our front door. About 16 semi-trailers loaded with lovely fresh (donated) hay was being driven (by volunteers) to Meekatharra for distribution to our local pastoralists. Big waves from all the drivers, horns tooted – it was an *event!*

The Aussie spirit at work.

Those poor buggers on the stations on our door-steps have been doing it tough for about 4 years now. And you don't hear them whinging and whining and wringing their hands looking for a hand-out. No, they just tighten the belts another notch, get part-time jobs, or send their women-folk out to work in order to keep the station going.

The Aussie spirit at work.

Jeep was the main sponsor. They paid for caterers to supply food for all and there was plenty of it and good tucker too, I'm told. One of the drivers won a gold nugget which was donated by Ross and his son and raffled. (Tickets were free – go figure!).

The Aussie spirit at work.

Sad to say that the good feeling ended this morning when we discovered that one of our guests who was overdue to go home for his RnR couldn't find his ute. Why? Some low-life un-Australian bast... had stolen it. I hope he/she gets his Karma soon. Someone in town knows who's got it. Do the right thing and save everyone a lot of grief – ring me and let me know where it is. You wouldn't like it if it was done to you.

See you all soon – I have to get some surgery, so the café re-opening may be delayed a little. Stick with us!

Australia Day BREAKFAST

Cue celebrated Australia Day with nothing but good food and company.

Speaking of food, thanks to Richard Towell (our BBQ master), & Tracy Bachraty for her awesome skills in the kitchen.

Family and friends living and visiting the area had a great time.

Thank you to the Shire of Cue for putting on a great event for the community.

GONE SWIMMING!

VALENTINES MUFFIN VARIETIES

(Chocolate, Vanilla, Red Velvet)

PUFFY PROFITEROLES

BIG BAD BROWNIE

COCONUT CHOC BALLS

(Coconut & Choc, Choc & Nut)

COME DOWN TO EITHER BUY ONE OF OUR DELICIOUS DEIGHTS OR MAKE A DONOATION, EVERY CENT IS APPRECIATED.

HAM & PINEAPPLE PIZZA SKEWERS

INGREDIENTS

3 x 100g ham steaks
1/4 small pineapple
1 medium red capsicum
1/2 x 440g pizza base
1 teaspoon dried oregano
1/3 cup pizza cheese
Mixed salad leaves & cherry tomatoes
to serve

METHOD

STEP 1

Cut ham, pineapple, capsicum and pizza base into 2.5cm cubes.

STEP 2

Preheat oven to 200 degrees or 180 for a fan forced. Line a baking tray with baking paper.

STEP 3

Thread ham, pineapple, capsicum & pizza base pieces onto skewers. Place on tray.

STEP 4

Sprinkle cheese and oregano over skewers. Bake for 15 minutes or until heated through and cheese melted. Serve with salad leaves and tomatoes.

PEANUT 'CARAMEL' BLISS BALLS

INGREDIENTS

- 12 fresh medjool dates
- 1 tablespoon maple syrup
- 1/2 cup crunchy peanut butter
- 3/4 cup almond meal
- 1/2 teaspoon vanilla extract
- 1/4 cup sultanas
- 1 tablespoon black chia seeds
- 1/2 cup granulated peanuts, finely chopped

METHOD

STEP 1

Place dates, maple syrup, peanut butter, almond meal, vanilla, sultanas and chia seeds in a food processor. Process until well combined and mixture forms a thick paste like consistency.

STEP 2

Place granulated nuts in a small bowl. Press and roll 1 level tablespoon of date mixture into a ball, then roll in the nuts to lightly coat. Place on a plate and repeat with remaining mixture and nuts. Refrigerate for 20 minutes or until firm. Serve.
