FROM THE CRC

Hi Cue Community,

July has been a good one for us here at the Cue Community Resource Centre, we've had in excess of 1000 tourists visit the CRC with heaps of customers purchasing our products.

Thanks to the Shire of Cue we've also hired 2 new employees to help run the Cue Heritage Discovery Centre, which is now open Monday to Friday 10am to 4pm, bearing any unforeseen circumstances. Unfortunately, we are losing one of those employees, but we'll still have the CHDC open 5 days a week and we are on the lookout for someone else to work with us.

In August we have the usual walking group on Monday afternoons, craft group on Wednesday mornings from 9.00am, Department of Transport will be visiting for a full day on Wednesday 11th August and we'll be having Twilight Markets on the 19th (hopefully the chill moves away).

Don't forget to get your costumes for Pox Eclipse at the Cueriosity Shoppe, which is being held from 26th to 29th August. The Cue Action Group is hosting a weekly table tennis game at the Cue Primary School every Thursday.

Thanks

Julie Humphreys
Cue CRC Manager

FROM THE CEO

Well it has been a busy month and very enjoyable as I am settling into my new role. I still have a lot of Deputy Responsibilities to re-delegate but I expected this to take around three months of reorganising. This includes a re-shuffle of the staff as well as my own responsibilities.

At a special Council meeting held on 30 July, Council set the rate in the dollar for all categories of rateable properties within the Shire. Due to the requirements of the *Local Government Act 1995*, the Differential Rates set must be approved by the Minister for Local Government. Once approval has been granted, the 2021/22 financial year budget will be finalised for adoption by Council. Rate notices will be sent out shortly after.

The Shire of Cue is currently reviewing and updating its Strategic Community Plans and seeking input from the community to gain a wider view of the community's aspirations for the Shire. A community survey has been prepared and is available in the Dryblower or online to provide feedback and assist Council in guiding the future direction for the Shire. I encourage everyone that lives, works and plays in the Shire to participate in the survey. More details are available on the back pages of this publication.

Line marking has been completed on the Shire Streets with all of the lines being remarked following the town street re-sealing that was completed in April this year. Additional works has included remarking of the parking bays on Austin Street and the inclusion of disabled parking bays in front of the Community Resource Centre and the Shire Administration Office.

Road works have been completed on the Wondinong Road, with another section out near the boundary expected to be completed in the coming months. Patching works have been completed on the Beringarra Cue Road with some stabilising and sub-base works about to be commenced near the Glenn Station. Flood damage works are still being undertaken by contractors on a number of roads between Coodardy and Austin Downs. For your own safety and the safety of the workers, please obey all traffic control signs when passing through roadworks.

Local Government elections are due to be held on 16 October this year, with three of the seven Cue Councillor positions becoming vacant. Nominations will open on 02 September and remain open for one week, closing on 9 September. If you have ever thought about nominating to become a Councillor, but weren't sure if the role was for you, the WA Local Government Association will be running a free webinar for prospective elected members on Thursday, 18 August. This Webinar focuses on the following key areas:

- Purpose of Local Government
- Role of the Council and Council Members
- Important Provisions of the Local Government Act 1995 and Regulations
- How Local Government Decision-making Occurs
- Personal Responsibility to Understand Conflicts of Interest
- New Code of Conduct Behaviour Provisions Relating to Candidates
- Induction and Council Member Essentials Training
- FAQs / Question and Answer Session

For further information and to register, visit www.walga.asn.au/Training/Our-Services/Webinars. Be quick to register as places will fill fast.

Anyone intending to nominate for election must first complete a free online induction course, provided by the Department of Local Government, Sport and Cultural Industries (DLGSC) at www.dlgsc.wa.gov.au/local-government. The course gives community members a basic understanding of what is required from a council member before nominations open in early September.

Billed as Australia's first major Wastelander event, Pox-Eclipse will be held in the Shire of Cue from 26 -29 August. The event will present an opportunity for participants to immerse themselves in a post-apocalyptic themed camping experience based on the Mad Max film series. Tickets for the event are selling well so if you want to be part of this inaugural event, get in quick to secure your tickets so you don't miss out. Further details can be found on the Pox-Eclipse website.

The next ordinary Council meeting will be held at 6:30pm on Tuesday 17 August 2021.

THE YOUTH CENTRE

July has marked the two-week school holidays for our youths in Cue. We had to postpone StormCo visit to the next holidays due to the pandemic, but managed to fill the two weeks with many exciting events including celebration of NAIDOC week.

We started the week off with an Aboriginal flag cake, then did lots of creative projects, such as making clapping sticks, taking the youths down to Wirnda Barna Art Centre in Mount Magnet for Aboriginal painting workshops, doing colouring projects and even planting seeds to take better care of the Wajarri Country that we live in.

We also stayed very actively involved in the community and outside. We were lucky to have had the slide (of course without water this time!) thanks to the Shire Depot and were even invited to a guided tour of the Cue Heritage Discovery Centre at the CRC, followed by a sausage sizzle. Thank you again for the organisation and the welcome all staff at the CRC and many volunteers on site!

We enjoyed many games of footy and basketball, thanks to the visiting families all the way from Bunbury, Perth and Geraldton. It's always nice to have many youths to form teams to play

Our youths even got the chance to try skateboarding in Mount Magnet, how exciting!

With the new Term, we are back to our norm with afternoons and weekends for our youths at the Hall. Stay tuned for more photos and updates by following us on Facebook @CueYouthCentre. Thanks always for your continued support with the initiative, and for our youths.

CUE PRIMARY SCHOOL

RESILIENCE : RESPECT : RESPONSIBILITY

While the recent lockdown in Perth didn't apply to Cue it did affect us with the TLG group having to leave back to Perth immediately after it was announced and Storm Co cancelling their annual trip to offer community service. Our NAIDOC trip to Pia Wadjarri was also cancelled due to the being a remote community. Luckily Perth escaped any further sanctions and we hope we can somehow maintain this. In the meantime, we have been finalising our plans for teaching should we be affected by a lock-down here in Cue.

We did manage to join Mt Magnet DHS to celebrate NAIDOC with us visiting. We completed activities with their students, had a massive lunch with the community and then watched a fashion parade of clothing using indigenous prints. Everyone was so exhausted they fell asleep on the bus on the way home. A special thanks to Harry Casey for driving the bus for us.

At Cue PS we have started a new reading program called Initialit. The staff have been trained and the kids started the program this term. It is very early but the students have really taken to it and are getting through a heap of work.

Our school vegetable garden is flourishing and we were fortunate enough to harvest some of the coz lettuce. Using eggs from our free range chickens we made a Chicken Caesar Salad together. This was very popular - Afron had four servings!

Some important dates this Term.

- 20th August School Development Day- Teachers going to Mt Magnet to learn about teaching Maths.
- 24th August - Visit from Ellenbrook Senior High School students
- 25th August - Visit from Perth Glory
- September 3rd - Small schools Athletics carnival in Yalgoo
- September 17th - Interschool Athletics in Meekatharra

Our work in Cue is almost done

Thank you Cue for your support – we're pleased to say our work to improve your water supply is almost complete!

The new evaporation ponds are ready, the new water storage tank is built, and the electro dialysis reversal unit is going through final testing which we expect to finish in September.

To celebrate improvements to your water supply and help you be waterwise this spring, our Waterwise Towns program is set to launch in Cue this October.

FIRST AID FACT SHEET

DRSABCD - Action Plan Adult and child

D	DANGER	
	Ensure the area is safe for yourself, others and the casualty	
R	RESPONSE	
	Check for response—ask name—squeeze shoulders	
	No response → Send for help	Response → Make comfortable, monitor response and check for injuries
S	SEND	
	Call Triple Zero (000) for an ambulance or ask another person to make the call. Send for a Defibrillator if available.	
A	AIRWAY	
	Open mouth – check for foreign material	
	No foreign material → Leave casualty in the position which they have been found. Open airway by tilting head with chin lift (adult) and slight head tilt and chin lift (child).	Foreign material in mouth → Place casualty in recovery position with mouth slightly downward. → Clear foreign material from airway with fingers. → Once foreign material is removed, open the airway with a head tilt and chin lift (adult) and slight head tilt and chin lift (child).
B	BREATHING	
	Check for breathing—Look and feel for chest movement, listen for air escaping from mouth and nose (an occasional gasp is not adequate for normal breathing)	
	Not breathing normally and no response → Place on back and commence CPR.	Normal breathing → Place in recovery position, monitor breathing and responsiveness.
C	CPR	
	Start CPR 30 compressions, 2 breaths	
	→ Place the heel of hand on the lower half of the breastbone in centre of the chest with other hand on top of first. → Press down 1/3 of depth of chest and release, giving 30 compressions. → Open the casualty's airway (head tilt and chin lift) → Pinch the soft part of the nose to seal and place your mouth over the casualty's mouth. → Blow steadily into mouth for up to 1 second, watch for chest to rise and fall. → Give 2 breaths.Repeat 30:2 → Aim for approximately 100-120 compressions per minute. → Continue CPR (30:2) until ambulance arrives or casualty recovers.	
D	DEFIBRILLATION	
	Apply defibrillator as soon as possible (if available) and follow voice prompts	

 In a medical emergency call **Triple Zero (000)**

Get behind the wheel

Emergencies don't have working hours, that's why we need more volunteer Drivers. If you're looking for a way to help, and love getting behind the wheel, this is the role for you.

You'll help with patient transfers, inter-hospital moves and RFDS transfers. And while this is mainly a driver-only role, you will still receive the training you need to assist an Ambulance Officer in an emergency.

We always need help, so to see how people exactly like you can contribute head to stjohnchangelives.com.au or give our Community Paramedic Michelle Fyfe a call on 0437 681 562, or email Michelle.M.Fyfe@stjohnwa.com.au

Help keep your ambulance service strong in Cue.

Life goes on.

COMMUNITY SURVEY

The Shire of Cue is updating its Community Strategic Plan and invites input from people who live, work and play in the Shire of Cue to express their views. The information provided by the survey will assist Council to identify areas of highest priority, explore new areas of interest and also help maintain the highest level of performance for Cue.

You can find the survey:

- ♦ on the last pages of the Dryblower
- ♦ survey monkey, follow this address:
<https://www.surveymonkey.com/r/DHHQCM3>
- ♦ or follow the link on the Shire of Cue website

All paper surveys can be dropped off at the Shire office or the Cue Community Resource Centre.

We urge you to fill in the survey. The more people that fill in the survey the greater the overview of the Shire.
