CUE CRC

Hi All,

Here at the CRC we've noticed a few tourists coming through our doors, although its still been pretty quiet here.

In February we had the usual Department of Transport visit and they will be visiting twice in March, Monday the 13th and Monday the 20th.

We had the Twilight Markets on Saturday 25th of February and had a great turn out of stall holders and customers as well. We had 6 stall holders one of which was a barber, hopefully at our next markets which will be a Sunday Market on the 26th March we'll have heaps more.

The Cue CRC will be starting our craft days this month as well so please come along and do some crafts and have a cuppa with some crafty people. The room is available every Wednesday for your crafting pleasure.

Please don't forget that there is a public holiday on Monday the 6th of March, as such the CRC will be closed.

Think climate change.
Be waterwise.

A leaking tap can waste up to 10,000 litres of water a year.

Climate change means it's more important than ever to save water. Every drop counts, which is why we're offering a free service from a licensed plumber. They will check for leaks, complete minor repairs and upgrade to water efficient fittings if required.

FROM THE CEO

The Shire has finalised the transfer of the Masonic Lodge back into Shire ownership. We have engaged Heritage Architects who have done a site visit to ensure the restoration program is consistent with the historic value. Works will commence soon to restore the building and repurpose it into a useable space.

At the February 2023 council meeting it was agreed to negotiate and enter into a lease agreement with Cockles Pty Ltd for the leasing of shop space on the main street. It is planned to move the Cuerosity Shoppe to the new location and the Shire is in the planning stage of opening a Community Gym.

Council adopted the Annual Report for 2021 – 2022 at the February meeting and have set the date for the annual meeting of Electors for 21 March 2023. Public notices have been distributed and included in this edition of the Dryblower.

Council has resolved to undertake the 2023 Local Government Election by postal vote and have engaged the WA Electoral Commission to facilitate the election.

On Friday night 24 February India Bradshaw played live music in the garden at the Murchison Club Hotel. The crowd enjoyed an ambient night with fabulous weather and the sounds of her angelic voice, combined with her guitar, echoing throughout the gardens.

The first twilight markets for 2023, were held on Saturday 25 February at the Community Resource Centre and included a great range of local store holders together with food and refreshments available. The markets were enjoyed by lots of locals and again the weather was ideal. The next markets will be held Sunday 26 March 2023 from 9.30am.

The Shire of Cue has engaged the services of Brad Bell to start as our mechanic mid March. Brad comes with extensive experience working on a wide range of machinery.

Maurice Walsh has been contracted as our new Environmental Health Officer. Maurice attended Cue in February and will continue monthly visits going forward.

An update regarding the Cue Nursing Post. We currently have Sally as a temporary nurse based in Cue until June 2023. WACHS is currently undertaking the recruitment process for a permanent placement.

We have been experiencing a number of mini storms in the last month so just a reminder to ensure any loose items around your yards are secured. Arrangements to have any larger items removed can be made by contacting the Manager of Works and Services at the Shire.

Due to mechanical problems our mosquito fogging operations are temporarily on hold. A new fogging machine has been ordered and we hope to take delivery in the coming weeks. Operations will commence again soon, this can include mornings or evenings to take advantage of wind conditions. Residents are asked to check their properties and remove any potential mosquito breeding areas, by emptying containers holding water, ensuring gutters are not holding water and checking yards for areas that hold water.

Upcoming events:

- Friday 17 March – Community Access First Aid Training
- Tuesday 25 April – Anzac Day
- Tuesday 23 May – Snowy and the 7 Cool Dudes

Cue Youth Program

Another fun day at the Youth Program.

The kids enjoyed themselves on the water slide and playing tee ball this week. We also have lots of other activities on the oval every week.

We encourage all local youth between the ages of 4—17 years old to come join us at our youth program which is run after school at the old Railway Building or the Shire Hall. Come see us for an enrolment form.

Registration of Interest Industrial Shed, Lot 593 Heydon Place

The Shire of Cue is seeking registrations of interest for the rental of the industrial shed located at Lot 593 Heydon Place in Cue. The shed is suited as a mechanical workshop with drive through access and service pit. The Shire of Cue is seeking registrations of interest from trades and businesses that would like to rent and operate from the premises.

The Shire will give preference to trades and businesses prepared to operate and service the town of Cue. Examples of desired trades include automotive services and trading entities that can offer a business that services the general public.

Favorable rental terms will be negotiated with the successful applicants that can demonstrate a commitment to providing services for the Cue community. If you are looking for an opportunity to start your own business or to establish a business premise in the Murchison Region, then this could be for you.

Submissions detailing your proposal and demonstrating benefits to the local community can be addressed to Shire of Cue, attention Chief Executive Officer, PO Box 84, Cue WA 6640 to be received no later than 4pm Friday 31 March 2023.

The Shire of Cue reserves the right to close submissions early if a suitable applicant is accepted.

PUBLIC NOTICE

FREE COMMUNITY WI-FI

ACCESSIBLE AT OR AROUND THE CUE SHIRE HALL

Instructions on how to access the FREE
Community Wi-Fi are on the following page.

Community Wi-Fi powered by nbn™ Sky Muster™

Connect to the internet here through the Community Wi-Fi service*

How to connect

Through the Community Wi-Fi service, you and your community can connect to the Internet via Wi-Fi using any smartphone, tablet, laptop or computer.

This service will be accessible inside and outside, within approximately 100 metres of the location of the Community Wi-Fi service.

To connect:

1. Open the Wi-Fi setting in your device
2. Select the network named "Community Wi-Fi" (No password is required)
3. When the "Welcome page" appears, read and accept the internet service provider's Terms and Conditions, click "Get Online" and then "Continue"
4. You should now be connected to the internet

Need technical support?

Please call the Community Wi-Fi Support Team on **1300 626 267**.

* Service supplied by an internet service provider

Important things to know

Performance of Community Wi-Fi

This Community Wi-Fi is designed to allow you and your community to access the internet*. The performance and range of the Community Wi-Fi may be impacted by several factors including:

- Total loss of power
- Distance from the installed Wi-Fi equipment
- Environmental factors such as heavy rain, heavy dust or something else blocking the installed satellite and Wi-Fi equipment

Usage

This service may support access to video streaming, however, if multiple users try to use video streaming services, such as Netflix at the same time, the quality of your experience may lessen. The service may be subject to data usage restrictions and other limitations. Your use of this service will be subject to Terms and Conditions (T&Cs) from the phone and internet service provider supplying the service to your community. The available capacity of this Community Wi-Fi service may be shared with other users, please consider others when using this service.

nbn cannot guarantee the security of the Wi-Fi service, and is not responsible for the acts of any third parties that access or attempt to access your device and or files while using the internet.

Installed equipment

The following equipment is owned or leased by nbn and has been installed to provide the Community Wi-Fi:

- An nbn™ Sky Muster™ satellite terminal
- Wi-Fi equipment
- There may be a back-up power supply.

The installed equipment will require reliable 240V AC power which must be supplied by the community. If a back-up power is supplied, it will only allow the installed equipment to operate for up to approximately 8 hours without main power.

Service provider

This Community Wi-Fi Service is provided over the nbn™ network by a phone and internet provider.

Acknowledgement of Country

Country Stargazing

with Carol Redford and Donna Vanzetti, Astrotourism WA

The Equinox & Star Clusters

The equinox marks the transition from summer to autumn in the southern hemisphere and has almost the same number of hours of daylight as darkness!

Equinoxes happen twice a year and on the dates of the equinox, the Sun is exactly above the Earth's equator, causing the equal length of night and day. The equinox marks several astronomical phenomena too! During the equinox, the Sun will rise directly in the east and set due west. The Sun will also appear exactly halfway between its northern most and southern most location in the sky. The exact time of the equinox occurs when the sun is directly above the Earth's equator, for 2023 this will occur at 5:24am for West Australians.

The Autumnal equinox for the southern hemisphere will occur on the 21st of March.

For some fun stargazing, the quarter Moon makes a close approach to Mars from March 26, and on the 28th will be just below the red planet. For those with telescopes or high-powered binoculars, the Shoe-Buckle Star cluster can be seen above Mars, and the January Salt-and-Pepper Star Cluster can be seen below the Moon.

When to look: 7pm to 9.30pm, 28th of March.

Which direction to look: In the western sky.

Something Interesting: Star clusters are lovely astronomical objects to view, often distinguishable with special shapes and patterns. The Shoe-Buckle Cluster is an open cluster located in the constellation Gemini. The cluster is approximately 2,800 light-years away from Earth and contains approximately 200 stars.

We will have more stargazing tips and helpful hints throughout the year so keep looking up and marvel at our clear, dark skies.

For more stargazing tips visit www.astrotourismwa.com.au.

Facts About St. Patrick's Day

His real name was Maewyn Succat until he changed it to Patrick when he became a Bishop.

Over 600 stadiums , statues, museums and towers will light up green on Saint Patrick's day.

The real Saint Patrick wasn't Irish, he was born in Britian.

It wasn't until 1798 that the colour became green as it was originaly blue.

The Guinness book of world records calls Saint Patrick's day the friendly day of the year.

St. Patrick died in the 5th century. However St. Patrick's day did not become popular until the 14th century.

In 1962, Chicago dyed its river green in celebration of St. Patrick's day.

The odds of being able to find a four-leaf clover is 1 in 10,000.

A common stereotype for the Irish on St. Patrick's day is classifying them as drunkards.
