# CUE CRC

Hi All,

The CRC has been quiet again for the month of March, hopefully that's going to start picking up this month, we've been seeing a few tourist here and there popping into the CRC.

We had the usual Department of Transport visit on the 13th and 20th March, Craft Group is available for those of you who wish to come down to the CRC on Wednesday mornings. We also had our first Sunday Markets with a great show of market stalls. Centrelink's remote team visited on the 30th March as well.

There are 3 public holidays in April, Good Friday on the 7th, Easter Monday on the 10th and ANZAC Day on the 25th, we will be closed on these days.

We are doing our first Cricut Craft Workshop for the year this month and will hopefully try to continue doing them throughout the year. Please note: bookings are essential as places are limited to 10 per workshop. We will try to accommodate everyone that wishes to attend.

We will have our Sunday Markets on the 30th March, these will be in the morning.

We also have Digital Workshops starting in April, these are to help you learn how to use your device. We have devices on hand that our attendees can use. So you can either bring your own or use one of our devices.

Have a safe and happy Easter.

# FROM THE CEO

Well, it's tourist time again. A steady stream of travellers have been venturing the Great Northern Highway and it seems Cue is still a great stopping point. We extend a warm welcome to you all and we hope you enjoy the facilities that Cue provides.

This month I had the pleasure of attending the Cuerosity Senior Citizens Morning Tea which was held at the Queen of the Murchison. Those who attended enjoyed a sumptuous array of cakes and finger food. It was a great opportunity for us all to have a chat and a cuppa. Jenni talked about the need for more volunteers and the relocation of the Cuerosity Shoppe.

I would like to thank Evolution Mining for sponsoring St Johns WA to attend Cue to run a first aid course. This was attended by members of our community and the Primary School who benefited from learning CPR and other lifesaving skills.

I had the opportunity to have a meeting with the Perth Mint regarding the former State Battery site within the Cue townsite with a view to showcasing what historic fabric still remains and providing some interpretation of the former Battery operations that took place on the site. If anyone has any feedback, suggestions, or ideas as to what you would like to see this site become, please email the [shire@cue.wa.gov.au](mailto:shire@cue.wa.gov.au)

As Easter is only a week away we wish to remind all road users to take care on Shire roads and drive to conditions. On the 30 March 2023 we experienced heavy rain that has closed all Shire roads. So please make sure you check our up to date Road Condition Report that is available on the Shire of Cue's website [cue.wa.gov.au](http://cue.wa.gov.au) and also our Facebook page.

Our new fogger has arrived. Our initial run was very successful and weather permitting we will continue to protect the townsite from mosquitoes.

On Tuesday 25 April 2023 we will be holding our Anzac Dawn Service at Arthur Gurney Memorial Park which is located next to the Shire's Administration building. We ask that you assemble at 6.15am and at the conclusion of the service a free breakfast will be served at the Queen of the Murchison Guest House located on Austin St.

The Annual Meeting of Electors was held at the Shire of Cue Council Chambers on Tuesday 21 March 2023 at 5.30pm. Several questions were asked regarding various aspects of the Shire. A summary of the meeting is available in the Minutes published on the Shire of Cue's website.

We would like to get a social game of lawn bowls up and running at the Shire Hall. If you are interested in joining us, call Tracy at the Shire Admin on 99638600 for more details.

Upcoming events:

- Tuesday 25 April – Anzac Day
- Sunday 30 April – Sunday Markets
- May (date to be confirmed) - Auskick
- Tuesday 23 May – Snowy and the 7 Cool Dudes

**Richard Towell**  
**Chief Executive Officer, Shire of Cue**

**Next ordinary Council meeting – 6.00pm Tuesday 18 April 2023**

## **Registration of Interest Industrial Shed, Lot 593 Heydon Place**

The Shire of Cue is seeking registrations of interest for the rental of the industrial shed located at Lot 593 Heydon Place in Cue. The shed is suited as a mechanical workshop with drive through access and service pit. The Shire of Cue is seeking registrations of interest from trades and businesses that would like to rent and operate from the premises.

The Shire will give preference to trades and businesses prepared to operate and service the town of Cue. Examples of desired trades include automotive services and trading entities that can offer a business that services the general public.

Favorable rental terms will be negotiated with the successful applicants that can demonstrate a commitment to providing services for the Cue community. If you are looking for an opportunity to start your own business or to establish a business premise in the Murchison Region, then this could be for you.

Submissions detailing your proposal and demonstrating benefits to the local community can be addressed to Shire of Cue, attention Chief Executive Officer, PO Box 84, Cue WA 6640 to be received no later than 4pm Friday 28th April 2023.

The Shire of Cue reserves the right to close submissions early if a suitable applicant is accepted.

## Free Plumbing Service

Think climate change.  
Be waterwise.

### A leaking tap can waste up to 10,000 litres of water a year.

Climate change means it's more important than ever to save water. Every drop counts, which is why we're offering a free service from a licensed plumber. They will check for leaks, complete minor repairs and upgrade to water efficient fittings if required.

# POLICE BEAT

Good Morning Cue,

February/March has been a little busy for us with Joe on leave and Pete and I holding the fort. Luckily most of our work was assisting in Meekatharra or Mt Magnet during those community events like funerals. It looks like April will be similar with the same type of work for us as well as our commitment to the Cue community.

While February was a little busy recording three break ins and three associated stealing's. Two of the burglaries were similar in that they were easy targets with the premises being open or unlocked. While not too much of value was stolen, I don't see a need to make it easy by leaving the back door unlocked so anyone can just walk in. The likelihood of solving such crime is pretty low and you are not going to see your items again.

We also had a Burglary at the roadhouse where the offender has been charged and is on bail to live in Perth.

We also had a Stealing from the Roadhouse by some lovely visitors to town who we are yet to catch up with.

Please remember to lock-up your valuables.

Cheers

Mark, Pete and Joe.

PS - It is true that someone damaged my van while it was parked out the front of the cop shop. That person has been charged with Criminal Damage and is processing through the court.

# FREE COMMUNITY WI-FI

**ACCESSIBLE AT OR AROUND THE CUE SHIRE HALL**

Instructions on how to access the FREE  
Community Wi-Fi are on the following page.

# Community Wi-Fi powered by nbn™ Sky Muster™

## Connect to the internet here through the Community Wi-Fi service\*

### How to connect

Through the Community Wi-Fi service, you and your community can connect to the Internet via Wi-Fi using any smartphone, tablet, laptop or computer.

This service will be accessible inside and outside, within approximately 100 metres of the location of the Community Wi-Fi service.

#### To connect:

1. Open the Wi-Fi setting in your device
2. Select the network named "Community Wi-Fi" (No password is required)
3. When the "Welcome page" appears, read and accept the internet service provider's Terms and Conditions, click "Get Online" and then "Continue"
4. You should now be connected to the internet

### Need technical support?

Please call the Community Wi-Fi Support Team on 1300 626 267.

### \* Service supplied by an internet service provider

#### Important things to know

##### Performance of Community Wi-Fi

This Community Wi-Fi is designed to allow you and your community to access the internet\*. The performance and range of the Community Wi-Fi may be impacted by several factors including:

- Total loss of power
- Distance from the installed Wi-Fi equipment
- Environmental factors such as heavy rain, heavy dust or something else blocking the installed satellite and Wi-Fi equipment

##### Usage

This service may support access to video streaming, however, if multiple users try to use video streaming services, such as Netflix at the same time, the quality of your experience may lessen. The service may be subject to data usage restrictions and other limitations. Your use of this service will be subject to Terms and Conditions (T&Cs) from the phone and internet service provider supplying the service to your community. The available capacity of this Community Wi-Fi service may be shared with other users, please consider others when using this service.

nbn cannot guarantee the security of the Wi-Fi service, and is not responsible for the acts of any third parties that access or attempt to access your device and or files while using the internet.

##### Installed equipment

The following equipment is owned or leased by nbn and has been installed to provide the Community Wi-Fi:

- An nbn™ Sky Muster™ satellite terminal
- Wi-Fi equipment
- There may be a back-up power supply.

The installed equipment will require reliable 240V AC power which must be supplied by the community. If a back-up power is supplied, it will only allow the installed equipment to operate for up to approximately 8 hours without main power.

##### Service provider

This Community Wi-Fi Service is provided over the nbn™ network by a phone and internet provider.

##### Acknowledgement of Country

We would like to acknowledge the Traditional Custodians of the land and pay our respects to the Elders both past, present and future for they hold the memories, the traditions, the culture and hopes of Indigenous Australia.

This service is funded by the Australian Government through  
the Strengthening Telecommunications Against Natural  
Disasters program.

## How Do We Get the Easter Date & The Total Solar Eclipse

### So why does the Easter date change each year?

Believe it or not, the reason the Easter date changes every year has a lot to do with astronomy! It's got nothing to do with a decision made by churches, public holiday makers or governments. Quite simply, Easter Sunday is deemed to be the first Sunday after the full Moon, following the March Equinox. The March Equinox is always on or around 22nd March each year.

### Easter date 2023

It's a bit of a calculation and here it is for the Easter date 2023:

This year the March Equinox was on 21st March. The full Moon after this date is on the 6th of April and therefore Easter Sunday is the following Sunday which is the 9th of April 2023!

We hope you enjoy plenty of yummy Easter Eggs!

### The Total Solar Eclipse 20th April, 2023

For natural cosmic phenomena, you don't get more remarkable than a Total Eclipse of the Sun! For a total solar eclipse to occur, the Sun, Moon and Earth need to be perfectly aligned in their orbits, with the Moon in the middle. As the Moon travels between the Sun and the Earth, its shadow is cast onto the surface of the Earth.

Eclipses are excellent examples of the extraordinary motion of the objects within our Solar System. This year, Western Australians have the privilege of viewing a Total Solar Eclipse on 20th April. On mainland Western Australia, the Total Solar Eclipse will only be visible from the Exmouth area. The rest of WA and Australia will only witness a partial solar eclipse.

### How to View a Solar Eclipse Safely

Never look directly at the Sun. Looking directly at the Sun is unsafe except during the brief total phase ("totality") of a total solar eclipse, when the Moon entirely blocks the Sun's bright face. On mainland WA, totality will only occur in the Exmouth area. Everywhere else in WA and Australia will experience a partial solar eclipse which is not safe to look at with the unprotected eye. Solar eclipse glasses that are compliant with Australian and international standards provide necessary protection to view the eclipse safely. Only buy from trusted sources to ensure compliance with Australian and international safety standards, such as [BinoCentral](#) or [Being in the Shadow](#).

**When to look:**

From 11:29:41am to 11:30:40am, 20th April.

**Where to look from:**

On mainland Western Australia, the Total Solar Eclipse will only be visible from the Exmouth area. The rest of WA and Australia will witness a partial solar eclipse.

# CUE SCHOOL

## RESILIENCE : RESPECT : RESPONSIBILITY

Cue School continues to grow and we started 2023 with 38 students (nine in high school).

This means we are a very busy place of learning and we continue to push our students to be better people. On the 30<sup>th</sup> of January we had a Public School Review and I must thank our parents for their wonderful support of our school by coming to a lunch time bbq and talking to the visiting principals. They were very impressed with the level of engagement and cooperation we showed in the common goal of educating our children. The report can be found in the school's information on the Department website. This term we say goodbye to Ms Jennie Frost who has been a wonderful addition to Cue School this term. We will miss you Ms Jennie. We will however, be welcoming Miss Shena Ganesh who will be teaching the early childhood class for the rest of the year. We were thankful to the Shire of Cue and Evolution Mining for organising a first aid session for our students. They learnt about DRS (Danger, Response & Send for help) and snakebites. We also had great fun bandaging each other up.

For **Harmony Day** our students did activities involving cultures from around the world. Mr Air taught the students a Nyoongar song and showed them some Scottish square dancing to the student's amusement while with Ms Frost they created a collage that was then put together and is on display in the front office.

### TERM 2 DATES

Wednesday 26th April—Students return.

26th July—NAIDOC Week

### **Volunteers Wanted - Give the gift of Reading!!!**

Come and read with our students for 30-60 minutes from 1:40pm

- 2:30am which ever days suit you.

Long term visitors also welcome.

My first big break came when I was five years old. It's taken me more than seventy years to realise that.

You see, at five I first learnt to read. It's that simple and it's that profound.

Sean Connery

The background of the poster is a photograph of a vast field of red poppies under a cloudy sky. In the upper left corner, there is a dark silhouette of a soldier wearing a wide-brimmed hat, looking towards the right. The overall tone is somber and respectful.

## COMMUNITY 1st AID PROJECT

A big thank you to Evolution Mining for providing the funding and a take home first aid kit for the Community 1st Aid Project.

We had 5 participants attend the course which was well received. Our trainer Tracy Boxall was fantastic and provided amazing life saving trips and training.

In the afternoon it was the kids turn. Who knew bandaging could be so much fun!!!! No quite sure of the injuries but everyone survived.

Thank you to the St John Ambulance Cue Sub Centre for organising the training and to the Shire of Cue for use of the hall. Once again a big thank you to Evolution Mining.

## BECOME A MENTAL HEALTH FIRST AIDER

to support Aboriginal and Torres Strait Islander people.

In any one year, approximately 1 in 5 Australians aged 16-85 have a common mental illness. Evidence suggests that Aboriginal and Torres Strait Islander people experience this at a higher rate.

Mental Health First Aid training will teach you practical skills to support a person with a mental health problem. Make a real difference to the people in your community.

### MHFA TRAINING BENEFITS

#### KNOWLEDGE

Improves knowledge of mental illnesses, treatments and first aid actions.

#### CONFIDENCE

Increases confidence in providing first aid.

#### DE-STIGMATISING

Decreases stigmatising attitudes.

#### SUPPORT

Increases the support provided to others.

*"Very interesting and thought-provoking. We now have been given the tools to be able to identify and assist our client and community members facing mental health issues." - Dianne*

### ? LEARN PRACTICAL FIRST AID SKILLS

- Recognise common mental health problems affecting Aboriginal and Torres Strait Islander people
- Provide initial support using a practical, evidence-based Action Plan
- Seek appropriate professional support
- Respond in a crisis situation

This is a 14-hour educational course, not a therapy or support group.

**DATES** Tues 2nd & Wed 3rd May

**TIMES** 9am - 4:30pm both days

**COST** FREE

**VENUE** St John Ambo's sub-Centre, Chesson St, CUE
